

TIS.2133-2545

A good combination of strenght, mechanical protection and flexibility

## Steel Flexible Conduit - Greenfield

### The Product - Heavy - duty

- Good mechanical protection, high tension.
- Good flexibility.
- Low fire hazard.
- Can make according to UL, BS731, Parts1

### Application

#### Cable protection fot the following potentials:

- High rise building
- Machine tools
- Area subject to heat and sparks

Nominal Size	Diameter				Min. Bending Radius	Length of Each Roll
	Inside Diameter		Outside Diameter			
	min. mm.	max. mm.	min. mm.	max. mm.		
1/2"	15.90	16.30	20.90	23.30	50	76
3/4"	20.70	21.20	26.60	28.00	50	100
1"	25.40	26.40	33.00	35.00	30	125
1-1/4"	31.80	33.00	39.40	41.40	15	160
1-1/2"	38.20	40.00	48.70	49.40	15	190
2"	50.90	52.80	59.70	62.20	15	250
2-1/2"	63.60	64.40	72.70	77.70	10	310
3"	76.30	76.90	98.20	90.40	10	380
4"	101.70	102.80	110.80	115.80	10	500
